

## Research Assistant

Russ Edwards School of Agriculture & Environment  
Full time, Term (June 17, 2024, to February 26, 2027)  
Competition #162-23/24  
Minto – Rourke Farm, Manitoba  
Salary: \$42,978 to \$51,744 (\$22.80 to \$27.45)  
Classification: Research Assistant 1

Assiniboine Community College has been providing exceptional learning experiences that have been transforming lives and strengthening Manitoba through applied education and research for more than 60 years.

This will be a 1.0 FTE Research Assistant Level 1, who will be based out of Minto at the Rourke Farm and work with the Faculty Researcher on two S-CAP funded projects. This position will support the execution of both projects which includes organizing, helping with seeding, maintaining field trials, growth chamber projects, and exploring different types of seed coatings. The RA will be responsible for compiling data, ensuring equipment is kept in working order, assisting with data analysis, troubleshooting the project, report and manuscript preparation. This position will be expected to attend meetings and conferences and will liaise/work with industry partners for the project. The RA will also train, mentor and supervise summer students and work with the other Research Assistant.

Experience required: Chemistry background, Agriculture, or farming background; interest/experience in conducting applied research, ability to travel to field sites, work in all sorts of weather conditions. Experience with handling field equipment, good with computers, GPS, understanding data collection and analysis. A high level of independence will be required for this position.
