Our future success rests on our ability to develop a sustainable Thriving Workforce that is unified in moving forward for the benefit of the college and Manitoba. Our culture is built on our principles for continued success: Creativity, Collaboration, and Courage.

Position Overview:

The Assistant Operating Engineer will assist in the operation and maintenance of a Steam Plant at Assiniboine College in compliance with the Power Engineers Act/Regulations, Provincial Codes and acceptable best trade practices. The Assistant Operating Engineer may be initial contact in service requests under the guidance of the Shift Power Engineer and/or Chief Power Engineer and/or Facility Manager.

Some Key Responsibilities:

- ▶ Assist in the operating and safe care and control of a Steam Plant in accordance with the Power Engineers Act
- ▶ Assist in operating and maintaining the annual responsibilities for the Boilers, Chillers, and all other Complex Ancillaries in order that they operate in a safe and efficient manner.
- ▶ Records all readings from meters and gauges for steam production, fuel consumption, water consumption and power conservation in the daily engineers log sheet and reacts to (any abnormalities) and enters detailed daily activities into the complex Log Book
- ▶ Assist in water testing and treatment of the heating and cooling system loops throughout the complex

Qualifications:

- ▶ Valid 4th Class Power Engineering Certificate recognized by the Office of the Fire Commissioner
- ▶ Experience in operating a Steam Plant and working experience in the maintenance of Steam Plant
- ▶ Valid 5th Class Drivers Licence
- ▶ Experience and knowledge in Steam Plant operations and ancillaries, Heating Ventilation and Air Conditioning (HVAC), Direct Digital Control (DDC), chemical testing of water, water softeners, standby automatic power units, chillers, air compressors, pumps, heat exchangers, steam traps, mechanical seals, plumbing, piping, electrical, fire alarm systems and other auxiliary equipment
- ▶ A mechanical background is essential and an ability to accomplish sophisticated mechanical tasks accurately is mandatory.
- ▶ Must be able to work shift work, weekends and statutory holidays

This competition will remain open until the position is filled.
