For over 60 years, Assiniboine College has been providing exceptional learning experiences, while transforming lives and strengthening Manitoba through applied education and research.

Our future success rests on our ability to develop a sustainable thriving workforce that is unified in moving forward for the benefit of the college and Manitoba. Our culture is built on our principles for continued success: creativity, collaboration, and courage.

Position Overview:

Reporting to the Program Coordinator, Continuing Studies, our Instructors will be responsible for the delivery and facilitation of courses in the Green Building & Retrofitting Associate Certificate with Micro credential Badging. This fully online program supports adult learners across Canada, providing training to experienced tradespeople and internationally trained professionals transitioning on sustainable building practices. Instructors will be assigned to either West (BC, Alberta, NWT) divisions or East (MB, SK, ON, NB) divisions.

Program includes the following 20 hours courses:

- ▶ Sustainable Building Basics
- ▶ Energy Analysis & Verification
- ▶ Efficient Energy Systems
- ▶ Envelope & Retrofit Systems
- ▶ Safety & Compliance Basics

Key Responsibilities:

- ▶ Deliver one live, weekly video conferencing session per cohort via Zoom (Q&A format).
- ▶ Monitor and respond to student inquiries through Moodle and email.
- ▶ Evaluate and provide feedback on quizzes, assignments, and scenario-based assessments.
- ▶ Maintain course-related records including evaluations and grades.
- ▶ Collaborate with the Program Coordinator and instructional team as needed.
- ▶ Engage students in a culturally inclusive and supportive virtual classroom environment.

Qualifications:

Required:

- ▶ Red Seal Journeyman Certification in Carpentry or related trade
- ▶ Experience using Moodle, Microsoft Office Suite, and Zoom.
- ▶ Strong oral and written communication skills.
- ▶ Legally entitled to work in Canada.
- ▶ Access to a personal computer with camera, microphone, and high-speed internet.

Preferred:

- ▶ Experience teaching or facilitating learning for adult learners.
- ▶ Familiarity with green building, retrofitting practices, and energy efficiency systems.
- ▶ Experience working with new Canadians and diverse populations.

This competition will remain open until the position is filled.
