- Complete responsibilities requiring standing, bending, and climbing.
- ▶ Have strength, dexterity, balance and stamina.
- Work in environments with noise, dust and/or fumes with appropriate personal protective equipment.
- ► Interpret drawings, specifications, codes, regulations, laws and standards.
- ► Communicate effectively with suppliers, co-workers, other trades people, safety and building inspectors, manufacturer representatives, and customers.
- ▶ Work in industry-specific shifts, schedules, and conditions.
- ▶ Listen to and follow directions accordingly.
- Demonstrate safety-conscious attitudes and work practices.
- ▶ Work outdoors in extreme weather conditions.

# CAREER OPPORTUNITIES

- ▶ Electrical contractors
- Construction companies
- Maintenance departments of industrial companies
- Public utilities
- Wholesale supply houses
- Entrepreneur

# **ADMISSION REQUIREMENTS**

- ▶ A complete Manitoba Grade 12 or equivalent
- ► Consumer/Essential Mathematics 40S or equivalent

# Next Steps

Confidence in the career path you choose to embark on is key and selecting the right program for you is the first step. At Assiniboine, we offer an opportunity to explore and experience a program before applying. Choose to:

### **SPEND A DAY WITH US**

Our Spend a Day program runs from November to March for most programs. When you spend a day at Assiniboine, we partner you with a current student in the program of your choice so you have the opportunity to:

- Participate in classroom activities
- Experience college life
- Explore all of our helpful services for students
- Meet current college students and instructors
- Enjoy a free lunch on us!
