Classification: Instructor

For over 60 years, Assiniboine College has been providing exceptional learning experiences, while transforming lives and strengthening Manitoba through applied education and research. Our future success rests on our ability to develop a sustainable thriving workforce that is unified in moving forward for the benefit of the college and Manitoba. Our culture is built on our principles for continued success: creativity, collaboration, and courage.

Reporting to the Academic Chairperson, Public Safety Institute, will be an instructor for recruit level and experienced officer in-service training delivered to members of the Manitoba First Nations Police Service.

Key Responsibilities:

- ▶ Instruct recruits in a classroom or applied training scenario settings and provide academic assistance during consultation hours.
- ▶ In consultation with the Lead Instructor, modify and/or develop course objectives, course outlines, curricula and evaluation procedures and instruments.
- ▶ Assist in preparing and maintaining all course-related records including evaluation, attendance records, and submit information as required.
- ▶ In consultation with the Lead Instructor, Identify, prepare, and organize course materials and various learning resources for course delivery.
- ▶ Assist in identifying, developing and delivering specialized in-service training to experienced officers when required.

Qualifications:

- ▶ Current or recent experience in the policing environment, ideally in First Nation communities
- ▶ Experience instructing adult learners
- ▶ Strong organizational skills
- ▶ Excellent interpersonal, oral, and written communication skills.
- ▶ Ability to work collaboratively within a multidisciplinary team and engage with diverse student populations.
- ▶ Proficiency with common computer applications and the internet to prepare lesson plans, reports, presentations, graphics, etc. and ability to operate classroom presentation technology
- ▶ Evidence of post-secondary teaching experience, including curriculum development and knowledge or experience with Moodle or other Learning Management Systems (LMS) would be an asset.

This competition will remain open until the position is filled.
