

Academic Chairperson Russ Edwards School, Agriculture & Environment Assiniboine College

Location: Brandon, Manitoba, Canada

Assiniboine College invites applications for the appointment of Chairperson.

Assiniboine College has been providing exceptional learning experiences for more than 65 years. For staff and students alike, Assiniboine offers unparalleled learning environments and responds well to the demands and requirements of the Manitoba labour market. Here, instructors follow the philosophy of 'learn by doing,' combining theory with hands-on learning inside classrooms, labs, kitchens, shops, fields and the college's Sustainable Greenhouse. We are an accredited college with the Province of Manitoba.

We offer more than 75 unique certificate, diploma and post-graduate programs across a variety of disciplines including culinary arts and hospitality, business, agriculture and environment, health and human services, trades and technology. We also deliver apprenticeship programming in a range of skilled trade disciplines.

Our campuses are situated across Western Manitoba, with over 30 community partners throughout the province. Permanent campuses are located in Brandon, Winnipeg, Dauphin, and Portage La Prairie. The Victoria Avenue East campus in Brandon offers programmes in business, agriculture, nursing, police studies, health and human services, creative media, and adult learning. The North Hill campus includes facilities such as the Len Evans Centre for Trades and Technology, the Manitoba Institute of Culinary Arts, and a sustainable greenhouse. The Parkland campus in Dauphin provides training in business, nursing, early childhood education, among other areas. Sites in Winnipeg, Southport, and Morden offer the Practical Nursing Program and continuing studies courses.

Assiniboine College partners with communities and organizations throughout the province to offer place-based education and training. Rural rotating sites provide customized, in-community learning, ensuring that skilled graduates are produced across urban, rural, and remote areas.
