Classification: Instructor

For over 60 years, Assiniboine College has been providing exceptional learning experiences, while transforming lives and strengthening Manitoba through applied education and research. Our future success rests on our ability to develop a sustainable thriving workforce that is unified in moving forward for the benefit of the college and Manitoba. Our culture is built on our principles for continued success: creativity, collaboration, and courage.

As an Instructor in our Practical Nursing program, you will play a vital role in shaping the future of nursing education. Reporting to the Chairperson, you will develop and deliver curricula, evaluate student performance, and engage in various administrative functions. While the majority of instruction will be delivered in person, some remote teaching components may also be required. As an instructor you will be teaching Anatomy & Physiology and Medical Microbiology in its Practical Nursing program. The successful candidate will create engaging learning experiences, support student success, and use effective teaching methods to help students prepare for their nursing careers.

Key Responsibilities:

- ▶ Instruct students in classroom, laboratory or shop settings, and provide academic assistance.
- ▶ Develop and modify course objectives, course outlines, curricula and evaluation procedures.
- ▶ Maintain all course-related records including evaluations and attendance and submit required information.
- ▶ Prepare and organize course materials and learning resources.
- ▶ Share passion and knowledge of the nursing profession with students.
- ▶ Apply enthusiasm to classroom management, student evaluation, academic advising and related administrative duties.
- ▶ Stay well-informed about the role of the CLPNM, the Practical Nurse entry-level competencies, scope of practice and other regulatory requirements

Qualifications:

- ▶ A degree in Medical Sciences or Biological Sciences (Master's preferred).
- ▶ Good organization and time management skills.
- ▶ Well-developed technical skills, particularly in Microsoft Word.
- ▶ Experience teaching in an adult environment is highly desirable.
- ▶ Highly developed communication skills, strong organizational skills, and be able to work effectively as part of the Practical Nursing team.
- ▶ Valid class 5 Manitoba driver's license and the ability to travel when required to meet the needs of the program.

This competition will remain open until the position is filled.
