

Social Service Worker

2-Year Diploma

Make a meaningful difference in the lives of others while you promote social well-being and long-lasting change. The skills you learn in this diploma program will help people and communities address social issues.

PROGRAM LEARNING OUTCOMES

- ▶ Plan and implement accessible and responsive programs and services, recognizing the diverse needs and experiences of individuals, groups, families and communities, and meeting these needs.
 - ▶ Develop strategies and approaches that support individual clients, groups, families and communities in building the capacity for self-advocacy, while affirming their dignity and self-worth.
 - ▶ Recognize the capacity for resilience and growth of individuals and communities when responding to the diverse needs of marginalized or vulnerable populations to act as allies and advocates.
 - ▶ Work with individuals, groups, families and their communities to ensure that service provider strategies promote social and economic justice, and challenge patterns of oppression, discrimination, harassment, and sexual violence with clients, coworkers and communities.
 - ▶ Identify and address systemic barriers that produce ill effects, developing appropriate responses using approaches such as trauma-informed care practice.
