This posting is open to current employees of Assiniboine College.

Assiniboine College is seeking a **Curriculum Developer** to support academic regrowth and program sustainability through the design, redevelopment, and enhancement of curriculum across the College's academic portfolio. Reporting to the Director, Centre for Learning & Innovation (CLI), this role works closely with academic leaders, faculty, and industry partners to create innovative, industry-aligned learning experiences that support student success and institutional growth.

We are looking for an individual with experience in teaching, curriculum development, instructional design, and adult learning who is passionate about developing high-quality, accessible, and sustainable educational programming.

Discover full details about the position by viewing the job description in the Job Details section.

Commitment to Diversity:

Assiniboine College is committed to creating a barrier-free environment that emphasizes the value of diversity and promotes full participation. We welcome applications from all qualified candidates who are legally entitled to work in Canada, including Indigenous peoples, persons of all abilities, members of visible minorities, all genders, and sexual orientations.

How to Apply:

If you are interested in this career opportunity, please email your resume and cover letter with reference to this competition to careers@assiniboine.net. We thank all applicants for their interest; only those selected for further consideration will be contacted.

For accommodations or alternative formats, contact careers@assiniboine.net or 204 725 8729.

Assiniboine College is privileged to provide learning opportunities on the lands of the Dakota Oyate, Nakoda Oyate, Ininiwak, Nehethowak, Nehiyawak, Anishininewuk, Denesuline, Anishinaabeg, and the National Homeland of the Red River Métis.
