- Instruct students in clinical settings.
- Share passion and knowledge of the nursing profession with students.
- Apply enthusiasm to classroom management, student evaluation, academic advising and related administrative duties.
- Be well-informed about the role of the CRNM, the Registered Nurse entry-level competencies, scope of practice and other regulatory requirements
- Engage in scholarship and applied research and activities that support evidence-informed teaching, learning, and professional practice.
- Contribute to program quality, innovation, and community and industry engagement within the School of Nursing.

Qualifications:

- Master's degree in Nursing, or a closely related graduate degree combined with a nursing background.
- Current registration as a Registered Nurse (RN) in Manitoba in good standing.
- Experience teaching in an adult environment is highly desirable
- Experience teaching (theory, lab, and clinical) and experience using Moodle an asset.

- Appropriate nursing credential and other relevant post-secondary education.
- Registered and in good standing with CRNM or relevant regulatory body
- Solid understanding of program and curriculum development, Indigenization and decolonization of curriculum, classroom instruction, assessment and evaluation, student advising and group facilitation.
- Well-developed technical skills, particularly in Microsoft Word,
- Highly developed communication skills, strong organizational skills, and be able to work effectively as part of the Edna Edwards School of Nursing team.
