

LEGACY GALA DINNER

MARCH 19, 2020
SPONSORSHIP OPPORTUNITIES

The Assiniboine Community College Foundation Legacy Gala Dinner is an annual event that raises money in support of our students.

Set against the backdrop of our stunning Manitoba Institute of Culinary Arts heritage building, you will be treated to an exclusive eight-course menu with wine pairings at each course. Our Culinary Arts and Hotel & Restaurant Management students work together to make this evening an unforgettable event. Also included in the evening is complimentary in-town car service, provided by our polished Police Studies students.

Proceeds from this year's Legacy Gala Dinner will support the Global Citizenship fund. This fund is to assist those who might otherwise be unable to afford to participate in an international experience.

Our goal is to have all students graduate with knowledge, skills and abilities that prepare them for career-related employment, lifelong learning and active citizenship in an ever-changing world.

Today, the acquisition of global citizenship skills is essential for students to successfully navigate this

fast-paced world. To gain these skills, Assiniboine has identified opportunities that provide a meaningful way for students to develop a more global perspective.

International experiences for domestic students will consist primarily of short-term study abroad opportunities called Global Citizenship Immersions during academic breaks or at the end of the academic year. Global Citizenship Immersions will benefit Assiniboine in the following ways:

1. Provides opportunities to develop cross-cultural competencies.
2. Promotes cultural diversity and international perspectives.
3. Enable students to have country- or region-specific learning such as interconnectedness of economies.
4. Can assist in program innovation, enrolment, and sustainability.
