Extendicare

Licensed Practical Nurse (LPN)

At Extendicare, we believe that working as a team and celebrating achievements creates an environment that allows us to reach our potential. As a valued member of our Licensed Practical Nursing team, you will provide care to residents in accordance with the standards of practice and offer leadership and guidance to the personal care staff. Extendicare offers rewarding and meaningful work where you can enrich your life and the lives of others.

This position is for our Hillcrest Place Home, located in Brandon, Manitoba**.**

What you'll be doing

- Develop, implement, review and evaluate resident care plans to ensure effective and personalized plans for each resident;
- Provide leadership to personal care staff by planning, directing, supervising and evaluating their work;
- Assist in orienting and training new team members;
- Ensure all Infection Prevention & Control and Health & Safety programs are being followed throughout the department.

What you bring

- Current registration with provincial College of Nurses;
- Compassion, professionalism, and respect;
- Ability to read, write and communicate effectively in English.

What you'll get

- Continuous mentorship, support for life-long learning and growth opportunities
- Opportunities for advancement and career growth within the organization
- A rewarding and meaningful work experience where you can enrich your life and the lives of others
- Employee Family Assistance Program
- Robust benefits package.

Extendicare is a leading provider of care and services for seniors throughout Canada. Through our network of more than 100 operated senior care and living centres, as well as our home health care operations, we are committed to delivering care throughout the health care continuum to meet the needs of a growing seniors' population in Canada. Our qualified and highly trained workforce of more than 20,000 individuals are united by a dedication to quality care and by our vision of being the best provider of senior care and services in Canada.
