

Financial Analyst Competition: #2023-24-31

Location: This position is ideally located in Headingley, MB, Portage la Prairie, MB, or Brandon, MB, however other locations will also be considered. There may be an opportunity for a hybrid work arrangement.

Manitoba Agricultural Services Corporation (MASC) has an exciting opportunity for you to be a part of a team that values building relationships, enables change, and supports the agriculture industry in Manitoba. Come join our team as we offer an engaging work environment, competitive pay, a comprehensive benefits package (including pension plan), and we encourage a healthy work-life balance.

Reporting to the Budget & Reporting Manager, the Financial Analyst – Budgeting & Reporting will be responsible for the preparation of corporate financial statements, budgets, and reporting to stakeholders both statistical and financial information. They will ensure that complete and accurate financial records are maintained.

The Financial Analyst – Budgeting & Reporting will also be responsible for preparing and analysing financial information to be used by both internal and external users such as corporate managers, Executive Management Committee (EMC), Board of Directors, and various levels of government.

MASC values excellence, integrity, and accountability. We strive to enhance existing products and develop new products, transform service delivery to enrich the client experience, pursue customer driven organizational change, and maximize performance, engagement, and development of all employees.

MASC has five core competencies: communication, decision making, initiative & innovation, leadership, and organization. Competencies relate to every position at MASC and along with the technical requirements, are included in the qualifications for all positions at MASC.

ESSENTIAL QUALIFICATIONS:

- Post-secondary education in Finance or Accounting, or an equivalent combination of education and experience, may be considered.
