

At Silver Lining Care, we are family. We care for our community by bringing hope, life and joy to your home in our shared living model at the Peter George Dyck Villages located on the 2nd floor of the Buhler Active Living

Current opening: Care Coordinator, LPN or RN/BN working 24 – 32 hours per week

This position will act as a coordinator and liaison between the client, caregiver team and a variety of professional services based on the client's needs, maintaining frequent, clear communication with all parties involved. The care coordinator builds compassionate relationships with families to assist them in determining the best course of action in living a full life.

Responsibilities:

- Conduct client assessments to establish person directed care plan
- Frequent, clear communication with clients and caregiver teams
- Oversee client care focused on quality of life
- Electronic documentation and delegation of tasks
- Participate in core team meetings
- On call duties

Qualifications:

- Graduate of a post-secondary nursing program (BN, RN or LPN)
- Active registration with the College of Registered Nurses of Manitoba/College of Registered Psychiatric Nurses
- Previous experience with Palliative Care considered an asset
- Exceptional communication skills
- Compassionate heart to serve others
- Efficient with technology

Our remuneration package includes group benefits, flexible hours, and professional development. If you have a generous spirit, servant's heart and a deep love for working with mature adults, we want to hear from you!

To learn more about our company, visit our website at www.silverliningcare.ca. More information about The Villages can be found at <http://buhleralcentre.com/the-villages/>. Follow us on Facebook and Instagram for regular updates.

Please submit your resume and cover letter outlining your experience and qualifications to carolyn@silverliningcare.ca.

We thank all candidates for their interest, however, only those under further consideration will be contacted.
