Who We Are

Ducks Unlimited Canada (DUC), one of the nation's leading conservation organizations, is a passionate community of people who believe that nature is the foundation of strong communities, a prosperous economy and a sustainable future that supports the hopes and dreams of the next generation. Together, we conserve and restore some of the most valuable and threatened landscapes on the planet.

What You Will Do

Under the direct supervision of the Manager, Oak Hammock Marsh Conservation Centre, the Maintenance Technician is responsible for assisting in the upkeep of the buildings and utilities located at Oak Hammock Marsh.

Key responsibilities include but are not limited to:

- Perform routine maintenance tasks, including troubleshooting, repairing, and maintaining equipment and machinery.
 - This could include grounds maintenance (all season), setting up for events, or special maintenance projects.
- Respond promptly to maintenance requests and prioritize tasks based on urgency.
- Conduct regular inspections to identify potential problems and address them proactively.
- Follow safety protocols and maintain a clean and organized work environment
- Collaborate with other team members to complete maintenance projects and ensure efficient operations.

The ideal candidate will be a highly adaptable and independent individual with a keen ability to abide by set timelines. You are a reliable and highly organized team player with excellent project management skills.

Requirements
