

INTERNATIONAL PEACE GARDEN

HORTICULTURE POSITIONS

SEASONAL GARDENING/HORTICULTURE CREW

The International Peace Garden is looking for highly motivated, sun-worshipping plant enthusiasts to join our seasonal horticulture team! Whether you just like working outdoors or need to complete practicum/coop hours to graduate, the International Peace Garden offers an enriching, hands-on learning experience that is unique to the northern prairies.

Build expertise and skills by participating in the development and maintenance of an established formal public garden. Working alongside skilled horticulturists, you will be able to further your knowledge of planting annuals and perennials, weed identification and control, ornamental plant identification, edible plant cultivation, pruning, mulching, composting and irrigation methods to name just a few. You will also have the chance to interact with visitors from around the world!

We offer competitive wages with increases based on experience.

On-site accommodation with all modern amenities including Wi-Fi is available for qualifying applicants – please enquire for more information!

Employment period: Employment ranges from mid-May through mid-September or any part thereof, depending on an applicant's availability.

To apply and for additional information, questions or to submit your resume, contact the Administrative Assistant assistant@peacegarden.com
