

Loan Specialist

Competition: #2024-25-01

Location: Portage La Prairie, MB

(There may be an opportunity for a hybrid work arrangement.)

Manitoba Agricultural Services Corporation (MASC) has an exciting opportunity for you to be a part of a team that values building relationships, enables change, and supports the agriculture industry in Manitoba. Come join our team as we offer an engaging work environment, competitive pay, a comprehensive benefits package (including pension plan), and we encourage a healthy work-life balance.

Reporting to the Senior Loan Specialist, the Loan Specialist is responsible for providing a high level of personalized customer service to Manitoba's agricultural producers. The Loan Specialist will be the loan expert for the service centre team and is responsible for fostering industry and client relationships as well as administering MASC lending programs and services. This includes attending industry meetings and trade shows as required, meeting with applicants to discuss loan proposals; analyzing and reviewing financial statements and the viability of farm operations; conducting farm visits and valuing land, buildings, livestock, equipment, and other personal property for security purposes; investigating credit worthiness; and administering client accounts, including collections.

MASC values innovation, excellence, collaboration, and accountability. We strive to enhance existing products and develop new products, transform service delivery to enrich the client experience, pursue customer driven organizational change, and maximize performance, engagement, and development of all employees.

MASC has five core competencies: communication, decision making, initiative & innovation, leadership, and organization. Competencies relate to every position at MASC and along with the technical requirements, are included in the qualifications for all positions at MASC.
