

A Sustainable, Forward Thinking Protein Company

Maple Leaf Foods is a leading meat and plant-based protein company, employing over 11,500 people and publicly traded on the Toronto Stock Exchange. We are proud of our roots, which trace back well over 100 years, but our vision and purpose are decidedly forward looking. Our goal is to build a more sustainable food system, which provides nutritious affordable food, operates within planetary limits, cares for animals responsibly, and meaningfully engages with our communities to advance a more just society. We are advancing bold changes within Maple Leaf and more broadly within society to pursue our vision. We deeply believe this is the sustainable path to growth.
