

DRAFTING TECHNICIAN

Location: Brandon, MB – In-Office • **Status:** Full-Time

Wage: \$20-25 per hour, based on experience

ABOUT THE ROLE

A Greenstone Drafting Technician is responsible for drafting detailed dimensional drawings, layouts, and shop drawings for Greenstone ICE Panel projects when requested by the Drafting Project Manager. The Drafting Technician works directly with the Drafting Project Manager.

RESPONSIBILITIES

- Review of project design criteria as assigned by Greenstone.
- Completion of Design Drawings Packages and ensure Greenstone drafting standards are met.
- Communication with the Greenstone Drafting Project Manager for questions and clarifications throughout the design.
- Edits and adjustments to Design Drawings as requested.
- Upon receipt of approved design drawings, complete panelization drawings using the Greenstone Revit add-on (TIMO) drafting process following Greenstone drafting standards.
- Submit complete projects to the Drafting Project Manager for submission to the Project Engineer size and seal.
- Complete post-seal adjustments as requested and post-seal documentation process, such as creating panel and cut list.
- Other duties as assigned.

REQUIREMENTS

- Proficiency in Revit and AutoCAD
- General building experience and ability to read blueprints
- Excellent attention to detail
- Ability to manage and coordinate project resources and information
- Ability to work well with a team and individually
- Excellent verbal and written communication skills
- A degree or technical training in drafting is considered an asset

GET TO KNOW GREENSTONE

Greenstone Building Products is a locally owned and operated manufacturing company that manufactures the ICE Panel – a structural composite panel for residential, commercial, and industrial building applications.

We want to provide builders and developers with an energy-efficient building envelope that will save time and money from construction to completion, and for a lifetime after.

WHAT WE OFFER

- Competitive wage
- Comprehensive benefits package
- Professional development opportunities
- A variety of fun company events
- Affiliate discounts
- A fun, inclusive work environment with a focus on work/life balance
