### Position Summary

Residential Care Workers, or RCWs, complete intakes, provide facility orientation and explain all the rules, procedures and schedules individually to every client. RCWs facilitate group educational sessions, assist with the self-administration of medication, and ensure the programs, rules and schedules are being implemented and followed. They are also available 24/7 to provide supportive listening and care to clients. Teamwork, self-insight, and empathy are essential skills of an RCW. RCWs assist in the kitchen, and complete housekeeping tasks, and are responsible for client and staff safety, security, and first aid.

RCWs need an empathetic, non-judgemental, calm response and the ability to work in a client-centred way that makes them approachable and helps the clients feel safe and seen. RCWs are responsible for accurate documentation and clear communication.

### Qualifications

- Grade 12 education (MB Standards)
- Suitable combination of education and experience working in an in-house facility, addictions related employment experience and/or volunteer work will be considered
- Possess a valid CPR-C with AED training and First Aid certificate
- Proficiency with Microsoft programs (Outlook, Word, Excel, Access and PowerPoint), as well as Internet applications and other Information Technology
- Demonstrated organizational skills, and the ability to work independently

***In some instances, applicants may be awarded  
positions without all the required qualifications.***
