

Technical Sales Agronomist Assistant

Location:

Winnipeg - Canada

Job ID: 29450

With our Customers, we Listen. Learn. Deliver.

ADAMA Canada is seeking highly motivated summer assistants in Manitoba, Saskatchewan and Alberta. In this 4-month role, the Technical Sales Agronomist Assistant will work with ADAMA Agronomists to help launch new products to market, provide technical support of the current portfolio and assist with customer-facing events. These roles will provide a great opportunity to learn about the crop protection products, gain industry experience and collaborate with retailers and growers.

Our People Promise:

- No Nonsense-We are bold and direct
- High Touch-It's business and it's personal
- Informal-We are approachable at all levels
- Take Initiative-We are free to explore
- Can do-We believe anything is possible

Fundamental Areas of Focus

- Assist in completing a field-scale trial program testing Crop Protection products (herbicides, fungicides, insecticides)
- Assist in demand creation activities such as tour site maintenance, field signage, and providing assistance during customer events
- Support Sales Team in generating outstanding customer service to retailers and growers
- Other duties as assigned

Talent & Knack

- Independent thinker and a team collaborator
- Curious mindset and a strong desire to learn
- Good understanding of agronomy and farming practices
- Sees safety as a top priority

Requirements

- Currently enrolled in a degree/diploma program in Agriculture or related field
- A valid Class 5 license
- Willing to work flexible hours (evenings/weekends)

These roles will begin in early May 2025 and finish in late August 2025. If you are interested in these positions, please apply by November 4th, 2024. We thank all students for applying but only those selected for an interview will be contacted.

ADAMA Agricultural Solutions Canada Ltd. (ADAMA Canada), is a subsidiary of ADAMA Agricultural Solutions Ltd., with world-wide sales of \$3.9 Billion USD, ranking it seventh among global agrochemical companies.

ADAMA Canada currently offers 25+ branded insecticides, fungicides and herbicides from a portfolio of more than 20 strategic active ingredients. Products are supported by a highly talented and experienced sales team, regulatory capabilities and extensive field research. Fueled by diversified global strengths in product synthesis, formulation and regulatory excellence, the ADAMA Canada portfolio of products and capabilities continues to expand.
