

# WHITEHEAD ELTON REGIONAL WATER CO-OP

## **Explore a Career as a Utility Operator – Facility Tours Available Whitehead Elton Regional Water Co-operative Inc.**

Are you interested in a rewarding career as a Utility Operator? The Whitehead Elton Regional Water Co-operative Inc. invites potential applicants to tour our facilities and gain firsthand insight into the water and wastewater operations process.

### **Why Attend a Tour?**

This is an excellent opportunity for those considering a career in utilities to:

- Get a clear understanding of the responsibilities involved in managing municipal water and wastewater systems.
- Observe the day-to-day operations of our treatment facilities.
- Meet our current team and ask any questions you may have about the role.
- Learn more about the qualifications and skills needed to thrive as a Utility Operator.

### **Who Should Attend?**

- Individuals exploring a new career path, making a career change, or those with no previous experience in municipal utilities.
- Anyone with a background in water treatment, wastewater management, or public works seeking to expand their knowledge.

We encourage all potential applicants to take advantage of this opportunity to get a real-world look at our operations and see how you can be part of ensuring safe and reliable utility services in our community.

### **Reserve Today!**

Reserve your spot today by contacting Ralph Berg, Utility Manager at 204-729-6116 or [werwc.inc@gmail.com](mailto:werwc.inc@gmail.com).

**Space is limited, so don't miss this opportunity to get an inside look at our operations and take the first step toward an exciting career!**
