Description

As a fully accredited hospital under the national standards of Accreditation Canada; Lake of the Woods District Hospital's goal is to provide high quality patient care. LWDH meets the immediate healthcare needs of residents of the City of Kenora, as well as a large surrounding area, including several First Nations Communities.

Treating well over 30,000 people per year, LWDH is Northwestern Ontario's largest hospital outside of Thunder Bay. Additionally, the hospital is an integral partner in the All Nations Health Partners Ontario Health Team; one of the first 24 teams in the province and is currently in the planning phase of developing a new All Nations Hospital.

If you are interested in an innovative leadership opportunity with the ability to influence the future of Healthcare in Northwestern Ontario; LWDH is currently seeking full-time unit manager to join the leadership team.

Reporting to the Vice President of Patient Care and CNO, the Unit Manager is responsible for providing effective leadership within the LEADS framework, in collaboration with the management team to ensure efficient resource management and the delivery of excellent patient care is achieved on the unit. This role provides leadership to a multi-disciplinary team of professionals and fosters an environment of learning, teamwork and modernization.

If this opportunity sounds like a great fit for you and you meet most of the essential qualifications we are looking for, we encourage you to apply and provide us more details about why you think you would be a great fit. We cannot make any promises, but we will consider your qualifications and the potential you bring. LWDH is dedicated to ongoing professional development and continuing education opportunities to enhance skillsets and working experience.
