University Undergrad	\$18.42	\$19.72	\$21.13	\$22.56	\$24.18	\$25.87	\$27.68

Job Description: Agriculture and Agri-Food Canada (AAFC) is seeking motivated students who enjoy being outdoors to work with us for the summer. AAFC offers students positions at the Brandon Research and Development Centre providing valuable work experience through practical and meaningful employment. The successful applicant will participate in:

- Collecting grain, spike, and/or whole plant samples from field or greenhouse trials
- Weed management in field trials
- Preparing pots for greenhouse trials
- Data and sample collection according to protocols
- Preparing and labeling bags, containers, and materials for collection of samples
- Maintaining and/or discarding of grain sample inventory

To be eligible for student employment, you must be registered online with the Federal Student Work Experience Program (FSWEP). Scan the QR Code to create your online application by January 26, 2025 to be considered for this opportunity.
