

Manitoba Beef & Forage Initiatives Inc.

2021 Summer Student Research Assistant Openings

Applications accepted until positions filled

Manitoba Beef & Forage Initiatives is hiring summer students for our research and demonstration farm located near Brandon, MB. Student Research Assistants have the opportunity to participate in all aspects of MBFI's operations.

Duties

Summer students will be expected to work independently and as part of team. Each summer student will work with a mentor full-time MBFI staff person.

The primary duties will be linked to assisting where needed in the daily management of research trials, field demonstrations, and farm activities including but limited to:

- o Collecting field samples e.g. forage, soil, manure
- o Field surveys, e.g. counting and identifying plants
- o Operating large and small farm equipment
- o Low stress cattle handling
- o Maintaining farm facilities, e.g. electric fencing, watering systems, landscaping
- o Data entry and record keeping of trial activities and livestock performance
- o Ability to complete physically demanding tasks outdoors
- o Capacity to lift and move 50 lbs bags
- o General farm labour, e.g. using power tools, towing trailers

Terms of employment

Summer students will be employed by MBFI on a full-time basis starting at the end of the school year (late April – early May) and ending work with the beginning of school in September of 2021. Part time work may also be available on a case by case basis.

Hours of work

The standard workday is from 8:00 am to 4:30 pm Monday to Friday, typically 35 to 40 hours per week. Overtime through evening and weekend field and livestock checks will be required on a rotating schedule and during busy periods.

Requirements

This position requires a valid Class 5 license and the ability to travel to and from the MBFI sites located within 12 miles of Brandon, MB. Being a full-time student at the time of application who will be returning to a full-time program in September 2021 is not required but is considered an asset.
