

Alternative Landscaping Ltd. Is looking for a Civil Technician or Civil Technology co-op student to join our Estimate/Design Team as an Assistant for the 2021 summer construction season.

Role Assistant Junior Estimator/Designer

This practicum participant will be working directly with the Estimating and Design teams, assisting them in field work (i.e., measurements, surveying) and related tasks as assigned. Scope of work will include exposure to the following responsibilities and expected results:

- Responsibilities**
1. Gather project information from a variety of sources such as project documents, stakeholders, and vendors,
 2. Operate a variety of survey equipment in a field environment.
 3. Create CAD software designs from survey results and assist with landscape design tasks.
 4. Complete estimating and design checklists and develop and adjust estimates accordingly.
 5. Prepare estimating and design checklists and documents (i.e., Material take-offs, Estimates, Summaries and Proposals).

- Results**
1. Comprehensive understanding of the project requirements, limitations, and expectations.
 2. Accurate survey of assigned project; clean reports of completed work.
 3. Comprehensive design based on survey data.
 4. Checklists and estimates accurately reflect project requirements (i.e., client needs and desires and budget constraints).
 5. Accurate information prepared for transitioning project from design to installation stage.

- Requirements**
- Civil Technology or Civil Technician student/graduate.
 - Ability to read and understand blueprints.
 - Strong analytical and attention to detail skills.
 - Working survey, drafting and design knowledge.
 - Strong report writing, math, and working with formulas skills.
 - Strong collaboration, communication skills
 - Basic construction and industry product knowledge preferred.
 - Driver's license required.

Working Conditions

- Work is performed both outdoors in all weather conditions as well as in an office environment.
- Long periods of concentration and attention to detail required.

To apply, please forward your Cover Letter and Resume to hr@alternativelandscapingltd.com.

Applications will be accepted until March 3, 2021.

Alternative Landscaping Ltd. is a local, family-run company that has been creating award-winning outdoor landscapes for more than two decades. We complete commercial and residential projects in landscaping, excavation, and maintenance and operate a year-round garden centre that services southwestern Manitoba. Constantly striving to provide “Superior Workmanship by People Who Care”, the Alternative Team works hard every day to meet and exceed the expectations of our clients and create projects that will have a lasting impact in the region.
