

WE ARE HIRING A FULL TIME
BUSINESS AGRONOMIST
AT OUR **ELGIN, MB** LOCATION

Double Diamond Farm Supply is an independent, locally owned, full service crop production retailer with locations in SW Manitoba and SE Saskatchewan.

Key Areas of Responsibility

- Key account management with current and potential customers.
- Support various precision ag platforms.
- Support all aspects of soil and tissue testing.
- Support the Double Diamond brand in the community and surrounding area.
- Give recommendations on crop protection products and practices for our customers.
- Day to day operational support for the location including, but not limited to, handling of dry fertilizer, handling of bulk seed, receiving and shipping of crop protection products, and all other aspects of daily operation at our ag retail.

Requirements

- Applicant must be highly motivated and have the ability to work well independently and as part of a team.
- Time management and communication skills are an asset.
- Applicant must be able to work flexible hours.
- Valid driver's license and good driving record required.
- Ag retail and ag equipment operation experience is a benefit but not necessary.
- Applicant must have a desire to learn about current and evolving products, digital tools, and crop production practices.
