

# BEHLEN

## Made Strong

As Canada's largest manufacturer of steel building systems, **BEHLEN** values our people and our community as much as our clients value our work. Behlen Industries LP manufactures steel building systems used in recreational, commercial, and industrial markets. Behlen is a proud member of WGI Westman Group Inc. – A dynamic, entrepreneurial group dedicated to the growth of their employees, customers and the communities in which they operate.

Progress creates a career opportunity in **Brandon, Manitoba**.

## PROJECT MANAGER

Reporting to the Estimating Manager, the Project Manager is engaged in processing of large, complex orders and management of schedules to achieve delivery requirements. Our Project Manager is responsible for order review, schedule monitoring, information procurement, establishing schedule impacts and regular status reports. Through this process the Project Manager will be in constant communication with other departments to resolve problems and ensure projects are produced and shipped in a timely manner.

### This role requires:

- Completion of an Engineering Technology, Business or Bachelor's diploma or degree.
  - **Combinations of experience and relevant courses will also be considered.**
- Three to five years related experience with project management in a manufacturing environment.
- Working knowledge of applicable building codes and standards as well as pre-engineered steel building systems and their construction methods.
- General knowledge of all construction types.
- Proficiency with Microsoft Office programs is a requirement.
- Excellent communication, interpersonal, and problem-solving skills are necessary for success in this role
- Attention to detail, time and priority management are necessary for success.
- Ability to work in fast-paced environment, continually adapt to change and work under pressure

Behlen Industries LP provides a competitive total rewards package including professional growth, career development and continuous learning. Applicants with high standards for performance are encouraged to apply via email to [hr@behlen.ca](mailto:hr@behlen.ca) by Friday, March 26, 2021. Please provide résumé and cover letter, stating salary expectations.

**We thank all applicants for their interest.**  
**Behlen Industries LP, is an Equal Opportunity Employer**
