

Member Service Representative – Summer Student

Position Type: Full-Time

Location: Brandon Branches

Are you a team player who utilizes every social interaction with your customers to build long-term business relationships? Do you thrive in a fast-paced changing work environment? Do you have great attention for the details and come with previous sales experience?

If so, look no further, Westoba Credit Union is looking for a Summer Student Member Service Representative just like you!

A day in the life as a Summer Student Member Service Representative:

- You will let your winning personality shine through, as the first point of contact and first impression to our members, you will provide a personalized and engaging member experience for every member, every time
- You will embrace your social and teamwork skills to refer your members to the appropriate business partner; after all, our members see you as a trusted advisor and our partners will appreciate your appointments whether to a Financial Consultant, Financial Planner, or a Business Advisor
- You will promote Westoba in the community through positive word-of-mouth, liking and sharing our social media posts and pages, as well participating in volunteer efforts for special causes and events; here at Westoba, we are community focused whether our own community or other communities where we live and do business in

What you will bring to the table:

- Enrollment in post-secondary education in Business Administration with a focus on Financial Services
- Previous sales experience whether it be from the financial or retail industries is an asset
- A forward-thinker with a can-do attitude who can adapt to any situation
- A go-getter who is not afraid to go out to grow our book of business
- A high-energy individual who likes variety and who can get things done

What behavioural competencies we are looking for:

- Effective communication
- Organization skills
- Interpersonal skills
- Driven and enthusiastic

If this is you, please visit [Careers - Westoba](#) to submit your cover letter and resume to begin your exciting career journey with an organization that you will be proud to work for!

We thank all applicants; however, only those who are short-listed will be contacted.
