

JOIN OUR TEAM!

BROADBAND BUSINESS INSTALLATION & REPAIR TECHNICIAN

WESTMAN COMMUNICATIONS GROUP is seeking applications from energetic, highly motivated individuals to become part of our team. Westman is a successful, fast-paced and dynamic organization, with a positive, team-oriented work environment. We offer competitive compensation including a comprehensive and unique benefits package. Leverage your knowledge with a local technology leader.

What you'll do:

- Business and residential installations of broadband equipment and services
- Complete work orders for business and residential installation and repairs
- Repair or replace faulty broadband electronics, and coaxial and fibre optic cables as required
- Positive interaction with customers regarding equipment and services
- Perform all work in accordance with quality control guidelines and company policies and procedures

What you'll bring to the team:

- Analytical ability and technical aptitude
- Construction experience required; electronics/electrical wiring background preferred
- Demonstrated ability to work with the public, in a customer focused environment
- Effective communications skills required
- Must be a good team worker and have a strong work ethic
- React constructively to change, and handle other tasks as assigned
- Must have a valid driver's license; able to travel
- Able to work in all weather conditions; must be able to work at heights/on ladders

As an equal-opportunity employer, we encourage applications from all qualified individuals. While we thank each applicant for their interest, only selected candidates will be contacted.

Deadline for applications: NOON on Tuesday, June 15, 2021.

Apply today to join our team at <https://westmancom.com/careers>
and start your exciting career journey with us!
