**New Connections
Stronger Communities**

BROADBAND MAINTENANCE APPRENTICE/TECHNICIAN (BRANDON, MB)

Position title will commensurate with experience

WESTMAN COMMUNICATIONS GROUP (Westman) is seeking applications from energetic, highly motivated individuals to become part of our growing team!

Westman is an industry-leading communications provider based in Brandon MB, offering residential and commercial High-Speed Internet, Digital TV, and Phone services in communities across Manitoba. Established in 1977, as a locally owned and operated cooperative, Westman is dedicated to delivering competitive and innovative services, providing an exceptional member experience, and supporting the communities we serve.

What we have to offer:

- Competitive compensation package.
- Comprehensive group benefits plan (extended health; life; dental; vision; GRRSP; and health and wellness).
- Various Learning and Development initiatives, and opportunities to grow within our team!
- Opportunity to participate in company events and activities and enjoy our company perks!

What you'll do:

- Complete maintenance, installation, and repair of Westman's broadband systems with a focus on providing an exceptional customer experience.
- Diagnose, repair, and replace faulty cables, broadband electronics, coaxial, and fibre optic cables as required.
- Perform cable locates as required.
- Update documentation daily related to work performed, ensuring proper tracking of projects.
- Use advanced equipment to conduct signal leakage monitoring, broadband forward & reverse sweeps, and power supply maintenance as required.
- Complete all duties of manhole work in accordance with policies, such as permit documentation, gas testing, etc.
- Perform all work in accordance with local regulations and WCG's policies, procedures, and standards of practice.

What you'll bring to the team:

- Minimum Grade 12 or equivalent is required.
- Minimum of 2-year post-secondary education in a related field (such as Electronics or Telecommunications) or relevant courses/certifications (such as NCTI or SCTE) is required.
- Minimum 1 year of experience in telecommunications is required. Customer service experience is an asset.
- Knowledge of/experience in electronic or network installation & repair, or residential wiring/construction is required.
- Ability to read and understand fibre optic & broadband plant maps, with an understanding of construction wiring practices.
- Ability to obtain and maintain certification in Basic First Aid and CPR C.
- Must be comfortable with heights (ladder work) and confined spaces, and be able to carry up to 75 lbs.
- Must be willing to travel with the potential of extended stays away and be on-call for emergency services as needed.
- Must hold and maintain a valid driver's license.

DEADLINE FOR APPLICATIONS: This position is open until filled.

As an equal-opportunity employer, we are committed to an inclusive and barrier free environment at Westman Communications Group and encourage applications from all qualified individuals. If you require a reasonable accommodation at any point during recruitment process or would like to request this posting in an alternate format, please indicate by emailing hr@westmancom.com of the accommodation requirements. While we thank each applicant for their interest, only selected candidates will be contacted.
