

Water Treatment Operator Level 3

Class 2 Certification

****More than 1 position may be filled****

Competition #104

Please apply with a cover letter and resume online at: <https://jobbank.brandon.ca/>

Position Conditions: This permanent, full-time opportunity of 40 hours per week will include evening & weekend shifts. This position is posted and will be offered in accordance with conditions identified in the Collective Agreement between the City of Brandon and CUPE Local 69. For the indefinite term, should the incumbent not return to the position, this term may become permanent.

Rate of Pay: \$32.45 - \$41.89 per hour – (2025 Rates)

Closing Date: 11:59 PM on May 22, 2025

This competition will include testing and an interview.

PURPOSE OF POSITION

To participate as part of a working team that operates a variety of equipment and machinery and performs the tasks required for the safe and efficient operations of the City's water treatment operations. Assists the Class 4 and/or Class 3 Operators with operating the equipment that processes water to acceptable standards. Works towards achieving the certifications, qualifications and experience required to perform the tasks of the Class 4 Operator at the Water Treatment Facility.

NOTE: This description is not intended to limit the assignment of work or be construed as a complete list of the many duties to be performed by the incumbent.

MANDATORY QUALIFICATIONS & EXPERIENCE

- Grade 12, G.E.D., C.A.E.C, or Mature High School Diploma.
- Must hold and maintain a Class 5 Province of Manitoba driver's license.
- A Class 2 Operator's Certificate in Water Treatment as issued by Manitoba Conservation.
- Any additional certification required under Provincial guidelines and legislation.
- Minimum three (3) years experience in a Water Treatment Facility.
- Must possess the ability to work in heights, confined spaces, and lift up to 50 lbs.
- Must be willing to participate in continuing education in order to achieve further certifications.

PREFERRED QUALIFICATIONS & EXPERIENCE

- Two – four years' post-secondary education in a science field.
- A Class 5 Power Engineering certification issued under the Power Engineer's Act and regulation within twenty-four (24) months of appointment.
- A Class 4 Power certification issued under the Power Engineer's Act and regulation within forty-eight (48) months of appointment.
