Sales Associate

As a Sales Associate, you provide retail services to a unique client base - members of the Canadian Armed Forces (CAF), and in assisting them, you are helping your community. You may provide a variety of services, including regular retail services, dry cleaning, lottery services, self-serve gas services, postal services, and assisting CAF members with credit plan applications. You will operate Point of Sales systems, the debit/credit machine and maintain a float.

The Sales Associate responds to enquiries from customers providing them with information on merchandising and ensuring the store shelves are stocked, faced, and properly signed. You may take and prepare food and beverage orders and prepare takeout food, while ensuring cleanliness of food service and eating areas.

This is a role where everyone works as one team using modernized technology and an understanding of the unique pressures and rewards of military service to provide the best customer experience for our members and to simplify and improve their lives. If you thrive in a customer focused environment and in a culture that is passionate about exceeding customer expectations, this is the opportunity for you.
