

## **LAUNDRY ATTENDANT JOB POSTING**

Sunchaser Vacation Villas is all about providing excellent vacation experiences to the families that visit us year after year; and we need talent to provide it! Not only will you be working in a multi-cultural environment, you will be surrounded by an outdoor mountain playground and you will be part of memorable vacation experiences for our guests. We offer competitive salary and benefits packages and a great working atmosphere!

Free seasonal staff accommodation is available from April to October and is conveniently located steps away from work.

We are currently hiring a Laundry Attendant for a year-round full-time position.

### **Job Description**

The Laundry Attendant is responsible for providing a constant supply of clean linens for the resort.

Duties include but are not limited to sorting, washing, drying, folding, stain treating and storing linens according to the resorts' standard; cleaning and checking the washers and dryers and making sure they are all properly running and reporting any deficiencies to Maintenance or management; ensuring there is enough laundry chemicals and replacing when needed; filling all Housekeeping cleaning supplies and making sure labels are legible; safe handling of chemicals and cleaning products; adhering to safety procedures at all times; assisting with keeping the Recreation Centre clean; assisting in some office work whenever necessary.

The applicant must be able to on weekends and on statutory holidays (from Thursday through Monday).

### **Knowledge and Skill Requirements:**

The Laundry attendant must possess the following knowledge and skills:

- must be proactive, flexible, and able to meet deadlines and work under pressure;
- responsibilities will be performed with an eye for detail in a timely manner;
- must have the ability to follow direction and standards set by the Resort;
- this position requires standing, sitting, walking, lifting, reaching, comprehension, learning, problem solving, and interacting with others throughout the workday;
- multitasking in an environment with many distractions is a must;
- repetitive motions for an extended duration of time are required.
