

VAN DRIVER JOB POSTING

Sunchaser Vacation Villas is all about providing excellent vacation experiences to the families that visit us year after year; and we need talent to provide it! Not only will you be working in a multi-cultural environment, you will be surrounded by an outdoor mountain playground and you will be part of memorable vacation experiences for our guests. We offer competitive salary and benefits packages and a great working atmosphere!

Free seasonal staff accommodation is available from April to October and is conveniently located steps away from work.

We are currently hiring a van driver (1 spot from May to September) for our 2020 Spring and Summer Season.

Job Description

The Van Driver will maintain a safe and clean environment in and around the resort's property while promoting a friendly and positive image.

Duties include but are not limited to making delivery requests to specified guest rooms; maintaining driver logs and completing pre-trip inspections; stripping linens from guest rooms and delivering to laundry; delivering supply bins to each building; completing a series of preparation work in guest rooms; taking out garbage and recyclables; steam cleaning of mattresses, furniture and carpets; reporting any building deficiencies to Maintenance Department; assisting the housekeeping department with their daily duties.

The applicant must be able to work from Thursday to Monday and on statutory holidays.

Knowledge and Skill Requirements:

The Van Driver must possess the following knowledge and skills:

- must hold a valid BC Driver's License;
- must have a driving record in Good Standing;
- must be able to lift up to 50 lbs.
- must be proactive, flexible, and able to meet deadlines and work under pressure.
- responsibilities will be performed with an eye for detail in a timely manner;
- must have the ability to follow direction and standards set by the Resort;
- this position requires standing, sitting, walking, lifting, reaching, comprehension, learning, problem solving, and interacting with others throughout the workday;
- multitasking in an environment with many distractions is a must;
- repetitive motions for an extended duration of time are required.
