

DECO WINDSHIELD REPAIR

Who We Are:

DECO Windshield Repair is Canada's largest student led windshield repair company. With our bright orange kiosks, fun branding, and incredible company culture, DECO has become a household name across Canada.

Partnering with DECO:

Our commitment is to provide meaningful work and experience for your students that can be applied in any future career. DECO offers many opportunities for advancement and development throughout an employees University experience.

We believe the most valuable skill set to learn is how to work with and relate to people. There is no other summer job opportunity that will increase your students emotional IQ faster than this experience with DECO Windshield Repair.

Quick Facts:

- 200 locations across every major city & rural area in Canada
- Employs over 300 students every summer
- With support from an experienced manager, students independently manage their own kiosk while still being connected to a team
- DECO pays top of market (base wage + commission)
- May to August is the full time season; part time work is available in Mar/Apr & Sep/Oct
- DECO has a great work hard play hard culture and does company events such as Calgary Stampede and our annual trip to Puerto Vallarta, Mexico
- No previous experience is required to work at DECO
