

Alternative Garden Centre is hiring a Head Gardener to develop and execute the annual Grower's Plan, outlining each season's planting, resource requirements, and projected sales. They lead the team responsible for ensuring the crop is healthy, workspaces are maintained, and sales presentations are optimal.

About You:

- Enjoy a roomful of spinning plates?
- Able to motivate, inform and involve your team?
- Highly organized and detail oriented? We want to talk to you!

About the Job:

- You will oversee the day-to-day activities of the Growing team, including ensuring plant health, pest management, inventory, and records (i.e., growing techniques, production data, sales).
- Schedule staff, assign work, oversees, and motivate the team to achieve.
- Train team in growing and staging techniques and activities, product knowledge, customer service, and company policies and procedures.

About your experience:

- Production experience including planning, monitoring, interventions, and recording.
- Working knowledge of Microsoft Office, QuickBooks, and software applications.
- Experience in a greenhouse grower/team leader role.

Position Details:

- This is a full-time position (40 hours per week) with a competitive pay and benefits package.
- Remuneration will be based upon relevant experience and qualifications.
- Hours and days of work will vary seasonally; longer shifts and weekends required, as necessary.
