

## DISTRICT TECHNICIAN EMPLOYMENT OPPORTUNITY

---

### Westlake Watershed District

The Westlake Watershed District requires a District Technician to assist in providing technical expertise, planning and delivery of watershed. The district is responsible for Order in Council Watershed infrastructure. The District also delivers watershed programming to residences within the Westlake Watershed Basin in order to protect the quality of water, natural resource and soil management initiatives. The long term goal is to encourage sustainable use and integrated management of watershed resources through cooperation with provincial, federal and municipal governments.
