

Ducks Unlimited  
Canada

## Conservation Programs Specialist – Forage Program

**(3-year term position) – Brandon, Manitoba**

### The Opportunity

Ducks Unlimited Canada (DUC), a leader in Canadian habitat conservation, is looking for a confident, energetic and dedicated professional to join our team in Manitoba.

As a Conservation Programs Specialist, you will be responsible for the delivery and negotiation of the forage and fencing programs; habitat initiatives that benefits waterfowl and other wildlife.

You need to be an enthusiastic team player and passionate about the outdoors – a self-starter who can work with anyone, is capable of working alone in rural settings under minimal supervision and recognizes the importance of environmental stewardship within agricultural production systems.

Your communication and negotiation skills enable you to deal effectively with primary producers, both in the field and at the kitchen table.

You are independent, resourceful and possess strong leadership, organizational and interpersonal skills and can also manage numerous projects on tight deadlines.

You are a persuasive, goal-oriented individual. Your personal and professional experience and directly related knowledge make you the ideal candidate for this position.

### Requirements

- A post-secondary degree in Agriculture or related discipline; must be eligible for a P. Ag and/or Certified crop advisor designation
- Knowledge of working farms and practices; specifically forage/grazing production systems.
- Knowledge of waterfowl and other animal and plant biology
- Knowledge of sustainable resource management would be considered an asset.
- Experience in planning and project management.
- Excellent organization, interpersonal communication skills, both oral and written.
- Strong computer skills – ArcMap would be an asset
- Previous sales or cold-calling experience would be an asset
- Experience with various outdoor equipment including GPS and ATV's.
- Familiarity with the non-profit and/or environmental conservation sectors would also be considered an asset
- The successful candidate will be required to submit proof of COVID-19 Vaccination
