

BEHLEN

STEEL BUILDINGS

As Canada's largest manufacturer of steel building systems, **BEHLEN** values our people and our community as much as our clients value our work. Behlen Industries LP manufactures steel buildings used in recreational, commercial, and industrial markets. Behlen is a proud member of WGI Westman Group Inc. – A dynamic, entrepreneurial group dedicated to the growth of their employees, customers and the communities in which they operate. Progress creates a career opportunity in **Brandon, Manitoba**.

STRUCTURAL STEEL ESTIMATOR

Our Estimators are responsible for **completing preliminary designs and providing price cost estimates** based on the evaluation and interpretation of customer supplied information. Through this process our Estimators are required to work within code requirements, proper engineering practices, building system standards and our system costing structure. Acting as a contact, our Estimators assist in the coordination of information and provide customer service to new and established customers.

This role requires:

- Completion of a Structural, Civil, Biosystems or Mechanical Engineering Technical diploma or degree.
 - **A Certified Engineering Technologist or equivalent designation will be viewed favourably.**
 - **Combinations of experience and relevant courses will also be considered.**
- One to two years related experience with estimating building structures in a manufacturing environment.
- Proficiency with Microsoft Office and AutoCAD programs are a requirement.
 - Experience with 3D design and animation programs is an asset.
- Solid communication and interpersonal skills;
- Above average mathematical skills; a strong, resourceful problem solver.
- Attention to detail, time and priority management are necessary for success.
- Ability to work in fast-paced environment, continually adapt to change and work under pressure

Behlen Industries LP provides a competitive total rewards package including professional growth, career development and continuous learning. Applicants with high standards for performance are encouraged to apply to hr@behlen.ca. This position will remain open until filled. Please provide résumé and cover letter, stating salary expectations.

We thank all applicants for their interest.
Behlen Industries LP, is an Equal Opportunity Employer
