

## CATTERALL & WRIGHT | CONSULTING ENGINEERS

1231 – 8th STREET EAST | SASKATOON, SK S7H 0S5  
TEL: (306) 343-7280 | [www.cwce.ca](http://www.cwce.ca) | FAX: (306) 956-3199

**Title:** Project Engineer or Technologist Water – Level 1  
**Department:** Water Group

### Position

---

Catterall & Wright has a permanent full-time opportunity within our Water group for an Engineer or Technologist to support Municipal Water and Wastewater Systems including treatment, distribution and pumping systems projects within Saskatchewan. This role is responsible for assisting with administration and management of projects, which will include travel to various sites and projects providing field assistance during the busy construction season. This is a great opportunity to grow your career by becoming part of a dynamic engineering team gaining hands-on experience in the field of construction & engineering.

### Primary Responsibilities

---

- Design and Management for water/wastewater and municipal infrastructure projects
- Assist with site surveys and data processing
- Construction inspections, progress certificates and progress payments
- Interactions with senior engineers and technologists within a mentoring environment
- Read and understand project scope, specifications and drawings
- Assist with office requirements as required

### Who We Are Looking For

---

- Civil Engineering Technology Diploma, or Degree in Civil Engineering working towards a P.Eng. or equivalent education
- Relevant field and survey experience is beneficial
- Strong interpersonal, customer service and communication skills (verbal & written)
- Strong awareness of health and safety and possess a safety-conscious attitude
- Must be willing to travel and work out of town (expenses will be paid for this occurrence)
- Must have a reliable vehicle for work and maintain a valid Saskatchewan Drivers License and insurance

### Who Are We

---

Catterall & Wright is a locally owned partnership located in Saskatoon providing practical and reliable consulting services since 1965. Our key services include:

- Municipal Infrastructure
- Private Land Development
- Transportation & Planning
- Commercial Development
- Project Management

- Surveying
- Professional Planning Services; Feasibility Reports

We aspire to be THE most respected and trusted municipal engineering firm in our industry. We partner with our clients to deliver the right solution by understanding their needs and adding value to each project. We provide local knowledge and value-added solutions that enable clients to achieve their vision, ensuring continuity of services through practical, cost-effective designs.

## **Why Join Catterall & Wright?**

---

Catterall & Wright has an inclusive and welcoming team atmosphere with many resources and supports to develop new team members, including job training, mentoring and coaching. Our full-time permanent employees enjoy the work-life balance, remote working options, paid sick and personal time program, RRSP plan, great group benefits coverage with Extended Health, Vision Care, Dental Care, Disability insurance, Life insurance, Health Spending Account, Employee and Family Assistance Program, on site parking, bonus pay, learning and development programs, and an active social committee.

## **How to apply!**

---

Interested applicants should submit cover letter and resume by email to [resumes@cwce.ca](mailto:resumes@cwce.ca). Subject line must reference "Water Group".

Thank you to everyone who applies; however, only selected candidates will be contacted.

Offers of employment may require satisfactory Security Background Checks, Reference Checks, Drivers Abstracts, and Drug Testing.

Being fully vaccinated against COVID-19 is a condition of employment and that proof of vaccination will be required, with minimal exceptions, unless prohibited by applicable law.

Check out our website or Facebook for more information on who we are! If you're looking for a challenge with valuable experience, this is the place for you.
