

GROUNDSKEEPER JOB POSTING

Sunchaser Vacation Villas is all about providing excellent vacation experiences to the families that visit us year after year; and we need talent to provide it! Not only will you be working in a multi-cultural environment, but you will also be surrounded by an outdoor mountain playground, and you will be part of memorable vacation experiences for our guests. We offer competitive salary and benefits packages and a great working atmosphere!

Free seasonal staff accommodation is available from April to October and is conveniently located steps away from work.

We are currently hiring a groundskeeper (1 spot from March to September) for our 2022 Spring and Summer Season.

Job Description

Duties include but are not limited to watering lawn, plants and shrubs; trimming and pruning trees and shrubs; cutting grass and edging; planting grass, flowers, trees, and shrubs; raking and bagging leaves; digging up ground for flower beds; operating and performing basic maintenance on power lawn mowers that may include changing oil, parts lubrication and adjustment; working in different weather conditions with exposure to the elements; repairing the sprinkler system when necessary; completing additional duties as assigned.

The Groundskeeper must possess the following knowledge and skills:

- experience in the operation and maintenance of motorized equipment such as push and riding mowers, string trimmers, edger trimmers and hedge shears;
- irrigation experience using sprinklers, hoses and flooding methods;
- the capability to operate job related vehicles safely;

The applicant must be able to work from Thursday to Monday and on statutory holidays.

Knowledge and Skill Requirements:

The Groundskeeper must possess the following knowledge and skills:

- must hold a valid Driver's Licence;
- must have a driving record in Good Standing;
- must be able to lift up to 50 lbs.;
- must be proactive, flexible, and able to meet deadlines and work under pressure;
- responsibilities will be performed with an eye for detail in a timely manner;
- must have the ability to follow direction and standards set by the Resort;
- this position requires standing, sitting, walking, lifting, reaching, comprehension, learning, problem solving, and interacting with others throughout the workday;
- multitasking in an environment with many distractions is a must;
- repetitive motions for an extended duration of time are required.
