

Alternative Landscaping Ltd is hiring a **Shop Assistant** to support the Technicians working in our heavy-duty truck and trailer shop by helping with repair- and maintenance-related tasks. This role provides an excellent starting point for new mechanics to gain familiarity with repair and maintenance processes and best practices while working directly under the supervision of more experienced professionals.

#### **About the Job:**

- Works on projects under supervision or assists technicians by ensuring ready access to the tools and parts they need to finish repair and maintenance activities.
- Performs minor repairs and assigned preventive maintenance services such as change a vehicle's oil, rotate tires, flush, and replace fluids, and change bulbs or repairs and replaces parts, including belts and tubes that have worn out or could soon fail.
- Updates maintenance and repair logs
- Assists with inventory maintenance of replacement parts and equipment
- Cleans the shop and returns tools to proper locations
- Repairs and maintains gasoline engines used to power equipment such as portable saws, lawn mowers, generators, and compressors.
- Adjusts points, valves, carburetors, distributors, and spark plug gaps, using feeler gauges.

#### **About You:**

- Excellent mechanical skills
- Must have a driver's license and clean driving record
- Ability to perform the physical requirements of the position
- Mechanical course work (high school or post-secondary) is an asset
- 1+ years of experience in heavy equipment or auto repair is an asset

#### **As a member of our team, you can look forward to:**

- A full-time opportunity offering a competitive pay
- Employee Benefits Plan
- Being part of a strong, hardworking team that takes great pride in their work
- Opportunity for development within a growing company
