The Manitoba government recognizes the importance of building an exemplary public service reflective of the citizens it serves, where diverse abilities, backgrounds, cultures, identities, languages and perspectives drives a high standard of service and innovation. The Manitoba government supports equitable employment practices and promotes representation of designated groups (women, Indigenous people, persons with disabilities, visible minorities).

Employment Equity is a factor in selection for this competition. Consideration will be given to Indigenous people, visible minorities and persons with disabilities.

Candidates who do not meet all essential criteria may be considered on an underfill basis at a commensurate rate of pay. An eligibility list may be created for similar positions in the advertised locations and will remain in effect until exhausted.

Introduction

Are you interested in a challenging career that combines office work, the outdoors and travel? Do you have a background or interest in real estate, agriculture, land survey systems, geographic information systems, building construction or municipal government and enjoy interacting with people? Are you looking for a position that provides excellent career advancement potential, on-the-job training and financial support for required educational programs? A career as an Assessment Officer may be for you!

The Government of Manitoba offers a comprehensive benefit package which include paid vacation, extended health, health spending, dental, drug, vision, long term disability, supportive employment program, maternity and parental leave, and a defined pension plan (some pension plans allow for portability between the Civil Service Superannuation Board and employers).

This competition will be used to recruit applicants at the entry level Assessment Officer 2 (AS2) and the full working level Assessment Officer 3 (AS3). Applicants recruited at the Assessment Officer 2 level will be provided with a growth and development plan outlining the required education in property valuation and assessment theory and the in-house training and experience required to progress to the Assessment Officer 3 level.
