

## **Urban Green Team: *Forest Steward***

**Location:** Riparian forests along the Assiniboine River

**Earliest Start Date:** June 2022

**Wage:** \$12.00/hour

*An excellent opportunity for a first or second year university student enrolled in biological sciences, ecology, environmental science or studies. The position provides a hands-on opportunity to learn about native habitat, participate in ecological restoration and make a positive contribution to Winnipeg's riparian forests.*

### **Duties:**

The successful candidate will work on reforestation, trail enhancement, monitoring, and invasive species management along the Assiniboine River's riparian forest. Some of the project activities include:

- Planting trees and shrubs
- Invasive species removal and monitoring (European buckthorn, in particular)
- Assisting with vegetation sampling
- Maintenance of trails and promotion of sustainable recreation

### **Qualifications:**

- Ability to work as part of a team
- A positive attitude with a desire to work outdoors and get your hands dirty
- Able to commit to the entire length of the position
- A student interested in an environmental career
- An interest in native plants and wildlife in the Winnipeg area
- This is an Urban Green Team position and candidates are required to be between 15 and 29 years of age.

### **How to Apply:**

Send a cover letter and resume before May 23, 2022 to: [CameronRuml@winnipeg.ca](mailto:CameronRuml@winnipeg.ca)
