

Transport Truck Journeyman Mechanic

The Southwest Horizon School Division is looking for a **Transport Truck Journeyman Mechanic** to work in our Transportation Department.

Our School Division operates 45 School buses out of School Bus garages in both Melita and Souris. This position will work primarily out of the **Souris Bus Garage**. It will include a service vehicle to allow travel between both garages and all communities within our division.

Responsibilities include:

- Perform preventive maintenance inspections
- Perform scheduled maintenance services
- Diagnose and repair vehicle defects
- Perform road repairs/service calls as required
- Maintain a clean and safe work environment
- Adhere to all School Division policies and procedures
- Comply with Safety & Health regulations in the workplace

The Southwest Horizon School Division has a comprehensive benefits program and will provide all tools necessary for this position including all hand and power tools, safety equipment and vehicle. We offer a competitive salary and sick leave benefits, as well as a pension plan that is matched by the employer. As a salary employee, you are guaranteed the same take home pay every 2 weeks, all year long.

Our mechanics are a key part of a workplace that is productive and engaged in the finest workmanship they can offer. **After all, our team transports one of the most precious commodities.**
