

City of Brandon is Hiring: I.T.C. Infrastructure Technologist -Summer Student I.T.C. Department

Are you looking to gain valuable work experience in your area of study? The I.T.C. Infrastructure Technologist Summer Student offers exposure to various technologies and industry insights that few other summer jobs can.

Reporting to the Manager of Information Technology, the I.T.C. Infrastructure Technologist Summer Student will assist other I.T.C. staff in the support of City's computers, networks, servers, communications, and related components to achieve availability and performance of the various business applications supported.

Dates: June 27 – September 2, 2022 (approximate dates)
Wages: \$14.95 per hour (2022 Rates)
Hours: 36.25 hours/week
Location: City Hall – I.T.C. Department

Responsibilities for the I.T.C. Infrastructure Technologist Student:

- Troubleshoot and resolve hardware and software problems.
- Conduct research on appropriate hardware and software in support of procurement and system development efforts.
- Other duties as assigned.

Qualifications for the I.T.C. Infrastructure Technologist Student:

- Grade 12, G.E.D., or Mature High School Diploma
- Currently enrolled in a related post-secondary program with a recognized technical training institute.
- Ability to work independently, as part of a team.
- Practical knowledge of desktop and server operating systems and hardware.
- Demonstrate excellent troubleshooting skills.
- Demonstrate excellent customer service skills.
