

Mechanic
Denray Tire
Dauphin, MB

Are you a skilled and motivated mechanic looking for an opportunity to bring your talents to a great place to work where you can use your passion and professionalism in a family-owned business? If so, then think about us for this outstanding opportunity!

What's in it for you:

- Importance of culture at our organization
- A place where your opinion is valued
- Established and growing company
- Strong compensation plan

Us

For over 40 years, Denray Tire has been known for its quality tire retread services, new tire sales and most importantly, its valued relationships with staff and customers alike.

Our employees work together as a team. We take all the steps required to truly understand a customer's wants and needs. Our first part of our customer commitment is: Providing the highest level of service possible to our customers. In turn, for any repeat customer, we remember the second part of our customer commitment: To deliver even better service the next time. To meet this commitment, we continually train our workforce. We hire skilled, committed people to serve our customers the way they deserve to be served.

Reporting to the Branch Manager, this position is key to providing top notch mechanical service and second to none customer service!

You

- We are a tire shop - It's right in our name! There will be tires to change/service/repair aplenty!
- You can confidently inspect, diagnose, adjust, service and repair a wide variety of vehicles.
- You will assist in identifying potential mechanical sales with team members.
- You have a strong passion for people and understand the true value of good customer service.
- You are methodical and patient in your approach; you have a keen eye for detail.
- Safety is paramount – you contribute and adhere to a safe and environmentally responsible workplace.
- You have the ability to excel in a physically demanding environment that includes heavy lifting and moving constantly throughout your shift.

Qualifications:

- Minimum 2 years working in a mechanic role
- Red Seal or formal training is ideal, but not required

- Motivated self-starter with a passion for all things light duty mechanical
- Exceptional and proven work ethic, and attendance
- Pride in workmanship, owned tools and personal PPE including steel toe boots
- Valid driver's license, and reliable transportation

This position offers:

- Competitive remuneration bi-weekly – direct deposited to your account
- Paid holidays and vacation
- Comprehensive shared-expense benefit plan, including vision medical and dental
