GROWING AGRICULTURE FORWARD

WE ARE HIRING

SUMMER STUDENTS

WHY SURE GROWTH?

With Sure Growth Solutions, you will become immersed in a positive environment of passionate, progressive Agronomists on the leading edge of technology, striving to move the industry forward. We look at challenges not as obstacles, but as opportunities. At Sure Growth, we work within an extensive network, providing access to senior coaches, mentorship, industry training, and an opportunity to learn from the best in the business. So, if you're as excited about optimizing innovation in Agriculture as we are, **We Want You!**

QUALIFICATIONS

At Sure Growth, we believe that skills and technical abilities can be taught. Instead of hiring based on experience, we are seeking individuals who live our values:

We do what we say, say what we do

We work smarter, not harder

We have an abundance mindset

We optimize innovation

& We do the stuff that matters

**Must be currently enrolled in post-secondary Agriculture focused education, due to return in September 2023

**Class 5 Driver's License required
