

Now Hiring

Bar Supervisor

As a Bar Supervisor, you will contribute to an excellent customer experience in the military messes, golf, curling and marinas bar operations. You will organize, supervise and schedule the day-to-day bar activities for the bar staff for big events and the everyday moments. You will build a rapport with the military community and be part of various military traditions.

The Bar Supervisor will provide administrative support to bar operations and a variety of services such as preparing and serving beverages, maintaining inventory of bar stock and ordering supplies and assisting in the set-up and take down of social and military functions. You will operate a Point of Sales system; prepare reports on cash/inventory transactions such as daily sales reports (DSR) and ensure compliance with provincial liquor legislation and regulations.

This is a role where everyone works as one team to provide the best customer experience for our military members and community and contributes in creating a fun and positive workplace. If you thrive in a customer-focused environment, have strong interpersonal and organizational/ administrative skills and enjoy working in a team environment - this opportunity is for you!

Salary: 16.18 - 18.06 CAD Per Hour
